HOW TO USE TRC SCAN & VERIFY

Instantly Verify a TRC certificate

Using your smart phone, scan the QR Code located on any TRC Certificate.

At The Registrar Company, we pride ourselves on our customer service and innovation. Based on the needs of our clients, we have developed TRC Scan & Verify to allow clients to verify the validity of their certificate with one-click.

Now you can promote your certification to suppliers and clients in real time, anytime.

A QR Code can be scanned using your smartphone camera app, or by downloading a QR Code reader app found in the App Store on your smartphone. Scan the QR Code as if you were going to take a picture of it, then click on the link that pops up on your screen. You will be redirected to a page similar to this one below.
